November 7, 2017

Dear Ms. Wang,

We send our warmest congratulations to you on the occasion of the 10th anniversary celebration of the founding of YuCai. Your School has offered wonderful weekend Chinese classes and before-and after-school Chinese and enrichment classes, as well as Chinese summer camps for students in our community. You have been an important resource for our community and have worked hard with many of our organizations in showcasing and promoting Chinese culture.

You are a welcome addition to our community and it has been heartwarming to watch you grow. We wish you continuing successes and recognition in educating your students and we look forward to keeping in touch.

Best wishes,

Pearl Lam Bergad
Executive Director
