

- *Don't have Chinese language environment at home?*
- *Worried about regular sequel class too advanced for your kids?*
- *Want your kids to learn more practical Chinese?*

If you have any or all of those concerns,  
Yucai's new class is for you!

**Intermediate Class:** Designed for students from a non-Chinese speaking family but with at least one year of Chinese learning background. Students will focus on learning Pinyin, characters, phrases & sentences, and will practice communicating in Chinese. Music, games, puzzles, exercises, and other interactive methods will make the learning experience super fun!
